Fourth of July parades - We participated in the Lexington but skipped the Port Sanilac fourth of July parade. The float looked great, thanks to everyone that helped and joined the fun.

Rotary International Day parade - The theme for this year is a celebration of our nation's 250-year anniversary. Muster on Pine Grove Avenue north of Glenwood by the park. The parade starts at 6:30 pm and the float should be in place by five. Wear your star-spangled outfits. Park in the SC4 lot near Glenwood and hop aboard the bus. We have the following paraphrasing of Buffett lyrics to post on the float: suggestions for wording on the float include:

"Liberty and Margarita's for All"

"Changes in Latitude Independence in Attitudes"

"Wasting Away Again in the Land of the Free"

"Party Like it is 1776 (Island Style)"

Boston Tea Party Let the Independence Party Begin
