Quarterly Charity - Our charity for July, August and September was SONS (Save our Neighborhoods and Streets). We have selected "Taking a Shot at Breast Cancer" as the October, November, and December charity. Kelly P. invited Steve and Emily Goudy to speak and present what the charity is all about, Steve was able to attend. Karen R. made a motion to donate \$250, seconded by Steve P. and passed by the membership. The charity will also accept gift cards from local restaurants as donations.

Margarita Fest - Eric P. delivered a wrap up. This year's event was August 22nd; and even with all the rain and some technical difficulties the event was worth attending. Air Margaritaville will be playing in the evening. The Polynesian dancers ended up performing to a blank audience for much of their performance, lots of rain, they worked hard. The new band shell and park renovations were excellent. Next year's event format is under consideration.

Anniversary Party - Saturday September 12th at the home of Tim and Sue Horan. The usual drink contest will take place, I believe we have three contestants. Bring a dish to pass, your beverages and lawn chairs. The address of the party is 6040 S. Birch Hill Dr. Kimball. The balloting for the "Phlucking Phlocker took place at the meeting and will be awarded at the party.

Halloween Bus - Tentatively scheduling a bus trip for all our witches, warlocks, and assorted characters on Saturday October 24th. If you have a handicap sticker please bring it so we can eliminate a repeat of last year's McDonalds incident, chuckle, chuckle. Asking for a \$30 donation to cover the cost of the bus. We will meet at Sam's club parking lot at 6pm and make a return trip for those that want to call it a night early.

Gone 2 Paradise - "The Ultimate Jimmy Buffett Experience", Macomb Performing Arts Center, January 22nd at 7:30. Several members expressed interest in attending; Gary R. will coordinate ticket purchases (hopefully a group rate) with payment due in November.
